

CINCINNATI BELL TELEPHONE COMPANY LLC
Local Telephone Service Agreement - Kentucky

Section 15 - Toll Restriction

A. TERMS AND CONDITIONS

Toll restriction is a central office service arrangement in which calls dialed to other than the local toll free service area over lines or trunks receive a recorded restriction announcement or are automatically routed to the PBX customer's attendant position.

Toll restriction is offered only from central offices where the Company has arranged the facilities for this service and is furnished subject to the availability of facilities.

Toll restriction does not allow 1+, 0+, 0-, 900, or 700 calls.

Subscribing to toll restriction does not relieve Customers of responsibility for calls charged to their telephone number(s).

Toll restriction does not provide restriction of nonchargeable calls to numbers such as repair service, public emergency service (911), or 1+800 calling.

Toll restricted lines do not have dial access to Company operators.

The Company will not be liable to the Customer or any other person or entity for damages of any nature or kind arising out of, resulting from, or in connection with the provision of the service, including without limitation, the inability to access the operator or any non-toll-free number for any purpose. For additional liability information see Section 2 of this Agreement.

B. RATES AND CHARGES

The rates and charges for Toll Restriction are shown in the Price List Section of this Agreement.
